 Eleventh Census
 of the
 United States.
 MINES AND MINING.

DEPARTMENT OF THE INTERIOR,

CENSUS OFFICE,

United States Assay Office, Charlotte, N. C.,
 Office of Assayer in charge,

May 31, 1890

Superintendent of the
 United States Mint, Philadelphia,

Sir:-

I have the honor to request that you forward to me, at your earliest convenience, a statement showing the amounts (gross) of the deposits of Gold and Silver from the states of Virginia, North Carolina, South Carolina, Georgia, and Alabama, also the names and addresses of the depositors. *for calendar year 1889.*

I may say that you will find this on your copy book of about the date of March 2d; as you sent ~~it~~ to me about that date the same thing when I was collecting statistics for the Director of the Mint's Report,

I am sorry to trouble you again but I had to forward that to the Director's Office, where it was mislaid. So, as I have to do the same thing for the Census Office, I need it again.

Kindly send it at your very earliest convenience, as I have withheld asking for it hoping to get the one sent to the Director.

I am very respectfully yours,

Stuart R. Cramer
 Assayer in charge, and Special Agent Census Office.
